Guitar Leslie Models G37 & G27

JIM PETERIK's (co-founder of the IDES OF MARCH / SURVIVOR) search for new guitar tones never ends. That's why, like the Beatles, Eric Clapton, Stevie Ray Vaughan, Pink Floyd, Peter Frampton; he has embraced the unique and unmistakable sound of a guitar played through a genuine LESLIE speaker. We are proud to announce the G37- the first Leslie equipped with an onboard guitar amp, and the G27 if you prefer to use your own amp. These Leslies are truly portable and truly affordable. Whether electric or acoustic, it's the ultimate accessory for your guitar rig!
